

Instructions to enroll in the National Electrical 401(k) Plan (NEFP)

To enroll in the plan, please [click here](#) and click the Start button to access the online form, then select “Enroll”.

Once you have submitted your completed form, you will receive a Submission Confirmation email that will include your submitted form responses. Please share this information with your employer.

Please also allow 7-10 business days for processing of your form by the NEFP

Important: Contribution amounts are limited to either \$2.00, \$5.00, or \$8.00 per hour

You may change your Wage Deferral election once per calendar quarter. You may elect to suspend your NEFP Contributions (drop to 0) at any time.

Once you are enrolled, you can check your 401(k) balance or investment activity by logging on to www.nefp.org or by calling Empower directly at 1-833-569-2433.
